What you need to do

You need to activate your license and download your security software. You'll need your license key.

If you're going to use Sophos Central Enterprise with Master Licensing, see https://support.sophos.com/support/s/article/KB-000035521?language=en_US. Otherwise, do as follows:

- Go to <https://central.sophos.com/> and sign in. If you don't already have an account, go to <https://www.sophos.com/central-activation>.
- In Sophos Central Admin, click your account name (it's in the upper right of the page).
- From the drop-down menu, select **Licensing**.
- Click **Apply License Key**, enter your key and click **Apply**.
- If your account already has licenses for the features included on the key, you may see another dialog. This lets you choose how to use your new licenses.
 - Change** adds the new licenses to your current licenses now. We'll adjust the license term so that all your licenses expire on the same

date.

b) **Renew** starts the new licenses when your current licenses expire.

6. Now go to **Protect Devices** (in the left-hand menu). Here you can download all your licensed products.

Terms

General Terms

- Except as otherwise noted in these General Terms, your installation and use of the products and/or services provided by Sophos are subject to the terms and conditions of the Sophos End-User License Agreement (EULA) at: <https://www.sophos.com/legal.aspx> unless Sophos agrees otherwise in writing.
- Your access and use of the services listed in this Schedule and referenced in the Sophos Services Agreement (SSA) at: <https://www.sophos.com/legal.aspx> are instead subject to the terms and conditions of the SSA unless Sophos agrees otherwise in writing.
- If you are a Managed Service Provider (MSP), your use of the products and/or services listed provided by Sophos is instead subject to the terms and conditions of the relevant MSP agreement at: <https://www.sophos.com/legal.aspx> unless Sophos agrees otherwise in writing.
- Any professional services provided by Sophos are subject to the Sophos Professional Services Terms and Conditions at: <https://www.sophos.com/legal.aspx> unless Sophos agrees otherwise in writing.
- The applicable units and/or usage limits for products and services are specified in the Licensing Guidelines at: <https://www.sophos.com/legal/license-entitlement-and-usage-policy.aspx>.

Export Terms

- These items are subject to U.S. Export Administration Regulations (EAR) whether or not they are exported from the United States of America.
- These items (commodities, technology, services or software) are controlled by the U.S. government and authorized for export / re-export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.
- If these goods are to be delivered to a country within the European Union: please be advised in accordance with article 22 (10) of the EC Regulation 428/2009, that these goods are subject to controls. If they are to be exported out of the European Union, the exporter must acquire the relevant export licenses.
- The export control laws and regulations of other countries may apply in addition to those of the United States of America, the European Union, and/or relevant European Union member states.
- Sophos may suspend certain or all security updates, upgrades, downloads and functionality to or of the products and/or services provided to you if Sophos believes that the products and/or services are, or may be, located in, provided in, or accessed from certain embargoed and restricted jurisdictions, which may be updated by Sophos from time to time without notice.
- A breach of the export provisions of the relevant agreement governing your access and use of Sophos products and services, as applicable, is considered a cause for termination of that agreement.
- For more information regarding the export of Sophos products and services, please see: <https://www.sophos.com/legal/export.aspx> or contact your Sophos representative.
